PROFILE

Art Director and Designer with a strong commercial mindset, skilled across presentation design, web design (Webflow/Figma), and AI-assisted design workflows, including Claude AI. Experienced building brand identities, sales and investor-facing collateral, and digital content from the ground up, with a proven ability to translate complex ideas into clear, well-designed visuals. Comfortable working independently across multiple concurrent projects, with direct client and cross-team collaboration experience and a genuine interest in working at the intersection of design and emerging AI tools.

KEY SKILLS

Webflow / CMS · Figma · Adobe Creative Suite · PowerPoint & Keynote Decks
Claude AI · Data Visualisation · LinkedIn & Social Content · Brand & Sales Collateral

DESIGN, WEB & AI EXPERIENCE

Web Designer & Developer *OffCut Productions, London, UK*

05/2026 – PRESENT

- Designed and built a full custom website from scratch (Next.js, Vercel) for a video production company with four sub-brands, replacing the need for a template or no-code platform.
- Built an admin dashboard and client portal with Google OAuth, letting the team manage projects, stages, and client messaging directly from the live site with no code editor required.
- Integrated Mux video infrastructure, automated thumbnail/GIF generation, a stage-tracker workflow, and a contact form pipeline, while keeping the site fast, SEO-optimised, and fully responsive.

Web Developer / Designer *Habitat.s, Knysna, South Africa*

03/2025 – 05/2026

- Drove product strategy and UX/web design for an AI-powered Real Estate app, integrating LLMs and Claude AI into the design and product workflow from concept to a functional, commercially viable tool.

Creative Designer *Freelance, Global*

01/2022 – PRESENT

- Design brand identities, packaging, presentations, and digital content for clients across multiple sectors, working in Adobe Creative Suite and Figma.
- Manage multiple concurrent projects independently, delivering high-quality creative work on time while building strong, lasting client relationships.

Co-Founder *Not Your Brew, Kasouga, South Africa*

09/2024 – PRESENT

- Designed and built the brand's website from scratch, alongside full visual identity and packaging design (see portfolio: valentinsmack.com/not-your-brew).

Art Director *Ment Studio, Cancun, Mexico / Moscu Agency, Buenos Aires*

08/2020 – 10/2024

- Led art direction, deck design, and brand strategy for client and pitch presentations, including campaigns for global brands such as Absolut, Chivas, and Starbucks.

Design Intern *Sony Music, Madrid, Spain*

01/2019 – 03/2019

- Contributed to art direction and design for print and digital assets across major artist campaigns, including layout and design for CD and vinyl formats.
